4EXPORT

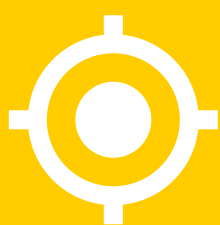

Third Infographic

THE PROJECT

The 4 EXPORT Project seeks to promote the internationalisation of SMEs through interdisciplinary apprenticeship training and education across Europe in order to add an innovative standpoint regarding internationalization.

INTELLECTUAL OUTPUT 2

Partners have finalized the MOOC for in-company tutors consisting of 4 modules. The MOOC includes tests and practical exercises.

...and take the course!

UPCOMING STEPS

Partners are currently working on developing an interactive map of best practices across partner countries on innovative training on internationalization, internationalisation in SMEs, WBL in the EU, relationship between training centres and companies. The best practices will be soon available on the project platform
