4EXPORT

The 4 EXPORT Project seeks to promote the internationalisation of SMEs through interdisciplinary apprenticeship training and education across Europe in order to add an innovative standpoint regarding internationalization.

INTELLECTUAL OUTPUT 1

The 1st Intellectual Output suggests a Research Study & Analysis of the available apprenticeship schemes in Europe and the specific needs of interdisciplinary apprenticeship of each case study. The consortium has currently completed:

1. A1 Research Framework
2. A2 Individual Partner Country Research
3. A3 Competency Standards
4. A4 Synthesis Report from National Reports

UPCOMING STEPS

Currently the consortium is working together in fine-tuning the Intellectual Output 2 and preparing the required materials for its piloting. Furthermore, for providing access to the materials, a website is being designed and prepared for its use..
