4EXPORT

The 4Export's project objective is to assist SMEs in the development of apprenticeship programs aimed at facilitating internationalization through the establishment of cross-border business activities. So far, the project had developed a Curriculum programme (MOOC), an interactive web platform and a Self-Directed Learning Guide to support in-company trainers

INTELLECTUAL OUTPUT 4

Currently, the Self-Directed Learning Guide is being tested by professionals interested in the project. For each testing phase, the testers have provided their feedback, in order to make any useful changes for the prospect and future users.

FINAL STEPS

At the end of the testing phase, the Guide will be finalized and its final version available on the project website, check it out: <https://4export.erasmus.site/self-directed-learning-guide/>

The project's results will be then promoted through the Multiplier Events in Ireland, Italy, Poland and Italy
